Welcome!

Please provide a display name to be used
to identify you to

Sender 702

Display name: 704

Submit 706

The diagram shows a rectangular frame representing a user interface. Inside the frame, the text 'Welcome!' is at the top. Below it is the instruction 'Please provide a display name to be used to identify you to'. This is followed by a text input field containing the word 'Sender', which is labeled with a reference numeral '702'. Below the input field is the label 'Display name:' followed by another empty text input field, labeled with a reference numeral '704'. At the bottom of the form is a rectangular button labeled 'Submit', which is labeled with a reference numeral '706'. The entire form is labeled with a reference numeral '700' at the top center.
